### Instructions to receive discount:

1. Print out this code and leave in your car
2. Drive into the lot. The gate will automatically open.
3. After parking, scan the above QR code with your phone.
4. Web Page opens, click "Claim Discount".
5. Enter Phone Number and enter confirmation code.
6. Select "Daily Vehicle" (Most likely this is what you want to use).
7. Enter Plate Number and State.
8. Add Payment Method.
9. Finish Process and you should receive a confirmation text.
10. Place QR Code in your car in case you need it later at the Garage.
11. Drive to the exit. The gate will automatically open. You should immediately receive a text message from Metropolis with a receipt for the visit.

Once you have created an account, your vehicle should be automatically recognized when entering and exiting the parking garage. Keep the QR discount code in your car. To receive the discount, you must scan the discount code every visit by selecting "Scan Discount" before leaving the garage.
